SAINT JEAN CARBON CLOSES BOOKS ON PRIVATE PLACEMENT

May 25, 2021, Calgary, Alberta, Canada – Saint Jean Carbon Inc. (“**Saint Jean**” or the “**Company**”) (TSX-V: SJL) is pleased to announce that it has closed its books with respect to the private placement announced on May 4, 2021 (the “**Offering**”).

The Company raised a total of \$875,000 by issuance of 7,000,000 units (“**Common Units**”) at a price of \$0.125 per Common Unit.

Each Common Unit consisted of one (1) common share in the capital of the Company (“**Common Share**”) and one-half (1/2) common share purchase warrant (each a “**Warrant**”). Each whole Warrant entitled the holder to acquire one (1) additional Common Share at an exercise price of \$0.25 per Common Share for a period of 24 months from the date of issuance.

With reference to its prior news releases dated February 10, 2021, March 12, 2021, March 16, 2021, April 8, 2021 and April 30, 2021, the Company intends to use \$600,000 of the proceeds of the Offering to fund the first 6 months of its working capital obligations assuming the successful closing of the acquisition of Solid Ultrabattery Inc. (the “**Acquisition**”). The balance of the proceeds will be used to preserve the Company’s existing operations and for general corporate and administrative purposes.

Although the Company intends to use the proceeds of the Offering as described above, the actual allocation of net proceeds may vary from the uses set forth above, depending on future operations or unforeseen events or opportunities.

All securities issued as part of the Offering will be subject to a four month and one day hold period.
